BEAUTIFULLY PRESENTED FAMILY HOME IS AN ENTERTAINER'S DREAM COME TRUE!

Nestled at the end of the street and overlooking the tranquil Hawkesvale Nature Reserve, this large family home has all of the desired features to accommodate the whole family's lifestyle, entertaining with friends and allow for relaxing downtime, creating the perfect work/life balance! The easy-care gardens, the functional flow of the floorplan and the breath-taking outdoor entertaining area are sure to impress!

Set on an expansive 776 square-metre corner block, this impressive home will capture your attention from the moment you pull into the driveway and enter the spacious entrance hall. Filled with flowing natural light and completed with a neutral dcor, you will immediately feel at home in this stunning and spacious, four bedroom, two bathroom home.

This amazing property showcases all the features you could ask for and provides incredible value by throwing in some extras that you didn't know you needed, such as the premium ensuite adjoining the master bedroom with a gorgeous sunken bath or the in-built seating and bar fridge featured within the outdoor alfresco.
