SLEEK, STYLISH & SOPHISTICATED!

Architecturally designed with an incredible floor plan, superior quality fit out and outstanding attention to detail, these three recently completed properties are guaranteed to impress!

Situated in close proximity to both the Canning River and Curtin University, these truly remarkable residences boasting three great sized bedrooms, two stylishly appointed bathrooms, an expansive open plan living area, comprising kitchen, meals and family.

The main living space seamlessly integrates indoor and outdoor living and leads to the private alfresco area. Quality fittings and fixtures are found throughout this most impressive residence including outdoor entertaining area, LED lighting and stone bench tops.
Make this your number one viewing today!

Features include but are not limited to:

*Private alfresco under the main roof.

*Located in close proximity, public transport
